

REMARKS

The Examiner stated the “light tube intersecting with the roof must be shown or the feature(s) canceled from the claim(s)” in his Examiner’s Amendment dated November 6, 2009. Rather than amending the drawing, Applicant has deleted the light tube intersecting with the roof language in all independent claims (claims 1 and 18) and in dependent claim 40. Should the Examiner have any queries, suggestions or comments, the Examiner is invited to call the undersigned.

Respectfully submitted,

Date 2/8/10
